

The
Friends
of the
Andrews-Dallas
Township Public Library

The purpose of the Friends of Andrews-Dallas Township Public Library is to focus public attention on library services, facilities, and needs, and to encourage donations and gifts to the library, with an ultimate goal of increasing usage of the library and enhancing library resources and services, and thus helping enrich the lives of the local community.

*Join Friends,
make friends, and
support the library!*

Friends of the Library groups assist public libraries with programs, fundraising, volunteering, special purchases, and more.

You can help your library!

As a Friends group, we would like to be able to support more community programs through the Andrews Library.

Workshops such as photography, personal finances, computer basics and ebay buying and selling are just a few that could be helpful to community members. We also support children's programming such as the summer reading club and special performers. The Friends group currently operates a book sale during the Andrews town festival and another sale in the spring. As a Friends member, you will be able to preview the book sale and choose one free book.
