SUMMER READING CLUB

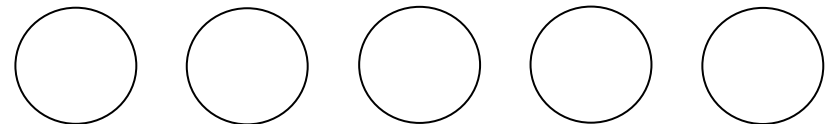

JUNE 1—JULY 24

Tadpoles Club, Ages 0-3

Did you know that the everyday activities you do with your little one are building literacy skills for the future?

****You are helping your child get ready to read!****

Inside you will find a list of activities and ideas to do with your child --don't forget reading to your child and looking at books! Each time you complete an activity, place a sticker on an animal. You may repeat anything on the list as often as you like, and you don't have to do all of them. Your child will receive a prize for every 10 activities and a book once you have completed 50. Bring this reading log to the library as you and your child earn each prize. July 24 is the last day for prizes.
